  - a) Maintain an up-to-date subject matter list consistent with the Library’s records management policies.
  - b) Assist persons seeking records to identify the records sought, if necessary, and when appropriate, indicate the manner in which the records are filed, retrieved or generated to assist persons in reasonably describing records.
  - c) Contact persons seeking records when a request is voluminous or when locating the records involves substantial effort, so that personnel may ascertain the nature of records of primary interest and attempt to reasonably reduce the volume of records requested.
  - d) Upon locating the records, take one of the following actions:
    - i. Make records available via copying or inspection; or
    - ii. Deny access to the records in whole or in part and explain in writing the reasons therefor.

## **Policy 4010**

### **Section 3. Posted Notice.**

The Public Notice shall be available (annexed to this policy) at the circulation desk.

### **Section 4. Hours for public inspection.**

Requests for public access to records shall be accepted and records produced during the Library's regular operation hours.

### **Section 5. Requests for public access to records.**

1. To ensure clarity, a written request is required; oral requests will not be accepted.
2. If records are maintained on the internet, the requester shall be informed that the records are accessible via the internet and in printed form either on paper or other information storage medium.
3. The Records Access Officer shall generate response within five business days of receipt of a request by:
  - a) informing a person requesting records that the request or portion of the request does not reasonably describe the records sought, including direction, to the extent possible, that would enable that person to request records reasonably described;
  - b) granting or denying access to records in whole or in part;
  - c) acknowledging the receipt of a request in writing, including an approximate date when the request will be granted or denied in whole or in part, which shall be reasonable under the circumstances of the request and shall not be more than twenty business days after the date of the acknowledgment, or if it is known that circumstances prevent disclosure within twenty business days from the date of such acknowledgment, providing a statement in writing indicating the reason for inability to grant the request within that time and a date certain, within a reasonable period under the circumstances of the request, when the request will be granted in whole or in part; or
  - d) if the receipt of request was acknowledged in writing and included an approximate date when the request would be granted in whole or in part within twenty business days of such acknowledgment, but circumstances prevent disclosure within that time, providing a statement in writing within twenty business days of such acknowledgment specifying the reason for the inability to do so and a date certain, within a reasonable period under the circumstances of the request, when the request will be granted in whole or in part.
4. In determining a reasonable time for granting or denying a request under the circumstances of a request, the Records Access Officer shall consider the volume of a request, the ease or difficulty in locating, retrieving or generating records, the complexity of the request, the need to review records to determine the extent to which they must be disclosed, the number of requests received by the Library, and similar factors that bear on the ability to grant access to records promptly and within a reasonable time.

## **Policy 4010**

5. A failure to comply with the time limitations described herein shall constitute a denial of a request that may be appealed. Such failure shall include situations in which the Records Access Officer:
- a) fails to grant access to the records sought, deny access in writing or acknowledge the receipt of a request within five business days of the receipt of a request;
  - b) acknowledges the receipt of a request within five business days but fails to furnish an approximate date when the request will be granted or denied in whole or in part;
  - c) furnishes an acknowledgment of the receipt of a request within five business days with an approximate date for granting or denying access in whole or in part that is unreasonable under the circumstances of the request;
  - d) fails to respond to a request within a reasonable time after the approximate date given or within twenty business days after the date of the acknowledgment of the receipt of a request;
  - e) determines to grant a request in whole or in part within twenty business days of the acknowledgment of the receipt of a request, but fails to do so, unless the Library provides the reason for its inability to do so in writing and a date certain within which the request will be granted in whole or in part;
  - f) does not grant a request in whole or in part within twenty business days of the acknowledgment of the receipt of a request and fails to provide the reason in writing explaining the inability to do so and a date certain by which the request will be granted in whole or in part; or
  - g) responds to a request, stating that more than twenty business days is needed to grant or deny the request in whole or in part and provides a date certain within which that will be accomplished, but such date is unreasonable under the circumstances of the request.

### **Section 6. Subject matter list.**

The Records Access Officer shall maintain a reasonably detailed and annually updated list by subject matter of all records in its possession. Such list shall comport with the requirements of the Local Government Schedule, LGS-1.

### **Section 7. Denial of access to records.**

- a) Denial of access to records shall be in writing stating the reason therefor and advising the requester of the right to appeal to the individual or body established to determine appeals, who or which shall be identified by name, title, business address and business phone number.
- b) If requested records are not provided in a timely manner, as required by Section 5 of these regulations, such failure shall also be deemed a denial of access.

  - c) the actual cost to the Library of engaging an outside professional service to prepare a copy of a record, but only when the Library's information technology equipment is inadequate to prepare a copy, and if such service is used to prepare the copy.
5. When the Library has the ability to retrieve or extract a record or data maintained in a computer storage system with reasonable effort, or when doing so requires less employee time than engaging in manual retrieval or redactions from non-electronic records, the Library shall be required to retrieve or extract such record or data electronically.
6. A Library shall inform a person requesting a record of the estimated cost of preparing a copy of the record if more than two hours of a Library employee's time is needed, or if it is necessary to retain an outside professional service to prepare a copy of the record.
